

Multicultural Student Center

The Multicultural Student Center (MSC) provides opportunities for students and other college community members to come together and promote greater awareness, appreciation, and understanding of Bristol's diverse community. The goal is to serve as a catalyst to build a more welcoming and inclusive environment for all students, faculty and staff. The Multicultural Student Center is here to support and assist all students but is intent on focusing on students of color from diverse cultural backgrounds and various identities i.e. LGBTQIA+ groups. The MSC is a place for all students to gather and share their diverse perspectives and provide mutual aid and support. Through co-curricular programming and collaboration with other college departments, the MSC provides a broad range of activities and services to support student success and engage the College community.

The Multicultural Student Center is located on the second floor of the Commonwealth College Center (G building) in room G220.
