

Commonwealth Honors Program

The Commonwealth Honors Program at Bristol offers intellectually challenging experiences to highly motivated students in every discipline, with a variety of 100-level courses and 200-level seminars offered. Through a structured process, individualized components are also offered, allowing students to customize their experience in the Honors Program to their own individual needs and interests. The Honors student has the advantage of working one-on-one with dedicated faculty members crafting intellectually stimulating experiences appropriate for the individual student. This independent work and the experience of one-on-one work with a faculty member prepares the Honors student to continue his or her education at a four-year institution and engages students in activities that encourage independent thinking and lifelong learning.
