

Health Services

Bristol's Health Services provides a range of services to promote Student Wellness at all college locations. The Student Health Center is located on the first floor of E Building (E104), adjacent to the Women's Center and the Veteran's Center. The Student Health Center is operated by the Coordinator of Health Services, who is a Registered Nurse and a member of Bristol's Student Wellness team. Services offered include immunization record management, health education, first aid, free HIV/STI testing, pregnancy testing, a private area to rest, and a private lactation space. All services provided to Bristol students by Health Services are free and confidential.

Special programs and events are offered throughout the year, often in partnership with local agencies. These include health fairs, lectures, and workshops on healthy lifestyle topics such as nutrition, quitting smoking, avoiding colds and flu, and more. For more information, please visit bristolcc.edu/healthservices.
