

## ECE 261: Early Childhood Licensure Teaching Practicum

Early Childhood licensure teaching practicum is a capstone experience. The field placement may be in kindergarten or pre-kindergarten for 150 hours followed by 25 hours in grades 1 or 2 classroom in an elementary school setting selected by the Program Coordinator. Students' participation evolves from observation to demonstration of competencies (identified by DEEC) to be in-charge of a Pre-K or K.G. classroom. Observations and reflections are an integral part of curriculum implementation and teaching practice. Seminars focus on integrating theory and practice of child development, curriculum planning, individualized instruction, special needs, anti-bias curriculum, and on-going reflective assessment and children's learning. Note: CORI, SORI, Fingerprinting and Health Requirements must be met, and students must meet with the Program Coordinator the semester prior to enrollment in ECE 261. Restricted to Early Childhood Education Early Childhood Licensure Transfer option students. Orientation is held the first week of classes. Seminar meets for two hours on alternate weeks for seven weeks. Spring.

### Course Student Learning Outcomes

1. Apply developmentally appropriate strategies to the creation, instruction, and implementation of activities and interactions with children in a classroom setting.
2. Operate the classroom following the procedures, policies, and practices as outlined by state regulations.
3. Practice accepted code of ethics and professionalism of educators.
4. Evaluate learning experiences in the context of the Department of Elementary and Secondary Education standards for educator preparation.
