

Elementary Education A2B MassTransfer

Program Goals Statement

This program prepares students who want to teach from grade 1 through grade 6 to transfer into an education program at a 4-year college or university that offers teacher licensure in Massachusetts. It also qualifies students to be paraprofessionals once they have completed 48 credits.

Hints for Successful Completion

Within the semester following completion of ENG 102, students should seek the assistance of the Program Coordinator to make plans to take the state-administered Communication and Literacy Skills Test (CLST).

Program Information

- Students in the Elementary Education program are required to submit a Criminal Offender Record Investigation (CORI) check. A positive CORI check would prevent a student from taking courses requiring field-related work, including EDU 220.
- To enroll in EDU 220, students must have completed 27 credits with an overall minimum GPA of 2.5.

After Bristol

Our College participates in the statewide MassTransfer program and has developed many program-to-program transfer articulation agreements which guarantee admission and credit transfer. For a complete listing of eligible MassTransfer programs and current Bristol articulation agreements, students should visit the Transfer Affairs website at www.bristolcc.edu/transfer.
