

## Graphic Design

### Program Goals Statement

This certificate prepares students for careers in graphic design, including support positions for advertising, print, and interactive design. This certificate is particularly suited for those with a background in art or design who want to update or extend their skills.

### Program Information

- Students use the state-of-the-art Design Macintosh lab and industry-standard graphic software and peripherals.
- Students gain a firm foundation in the creative process and use of visual language for communication and develop a professional-quality portfolio.

### Related Programs

- Graphic Design transfer program, Web Design & Media Arts career program

### After Bristol

- Graduates work in graphic design firms, advertising agencies, publishing houses, and in Web design and in-house design departments of companies.
