

## History A2B MassTransfer

History is a comparative study of past societies and cultures. It examines the major forces, personalities, events, and institutions that have shaped our world to the present. Through critical thinking and analysis, historians strive to understand the principles of group behavior and social organizations and how power is wielded in society.

History is a MassTransfer A2B Mapped Program with Massachusetts State Universities and Universities of Massachusetts. When choosing electives, complete an A2B Program search at [www.mass.edu/masstransfer](http://www.mass.edu/masstransfer) and visit the Transfer Affairs website to determine available transfer institutions and to ensure all credits will be transferred and applied to your degree.
