

Humanities Transfer

Program Goals Statement

The Liberal Arts and Sciences program provides a comprehensive and rigorous foundation for transfer to a Bachelor of Arts or Science degree in the liberal arts disciplines or to professional studies in education, law or medicine. The program values lifelong learning for success of the individual as well as the community.

Program Information

- Academic and transfer advisors assist students in selecting courses to fulfill program requirements and general education requirements at senior institutions to ensure a smooth transfer. Select electives from Transfer Electives and Elective Recommendations.

After Bristol

- Bristol participates in the statewide MassTransfer program and has developed many program-to-program transfer articulation agreements which guarantee admission and credit transfer. For a complete listing of eligible MassTransfer programs and current Bristol articulation agreements, visit the Transfer Affairs website at www.BristolCC.edu/transfer

Subject: Humanities
Liberal Arts

	Multicultural Perspective Elective	3
	Program Elective	3-4
	Science Elective	3-4

English A2B MassTransfer

Contact

Brian McGuire, Department Chair, brian.mcguire@bristolcc.edu

Students in the **English** program complete core requirements in literature while developing their ability to analyze literary and cultural texts and contexts, and to write clear, persuasive, and graceful prose. These reading, thinking, and writing skills will enhance their capacity for persuasion, leadership, clarity, and interpersonal effectiveness in whatever career they pursue. Many occupations require an individual who can write and speak well, solve problems, learn new information quickly, and work well with others on a team, all of which are developed in this program, including careers in Business, Communications, Education, Media and in Government and Nonprofit Organizations.

English is a MassTransfer A2B Mapped Program with some Massachusetts State Universities and Universities of Massachusetts. When choosing electives, complete an A2B Program Search at www.mass.edu/masstransfer to determine available transfer institutions and to ensure all credits will be transferred and applied to your degree.

Requirements

To complete the English A2B Program, students should complete the requirements for the Liberal Arts Humanities Concentration including the following required Courses:

Item #	Title	Credits
ENG 251	World Literature I	3
	Or	
ENG 252	World Literature II	3
ENG 253	English Literature I	3
	Or	
ENG 254	English Literature II	3
ENG 255	American Literature Precolonial to 1865	3
	Or	
ENG 256	American Literature Post Civil War to Present	3
	Total credits:	60
