

Psychology Transfer

Program Goals Statement

The Liberal Arts/Psychology Transfer program provides a comprehensive and rigorous foundation for students who plan to transfer to complete a Bachelor of Arts degree in Psychology. The program values lifelong learning for success of the individual as well as the community.

After Bristol

- Bristol participates in the statewide MassTransfer program and has developed many program-to-program transfer articulation agreements which guarantee admission and credit transfer. For a complete listing of eligible MassTransfer programs and current BCC articulation agreements, visit the Transfer Affairs website at www.BristolCC.edu/transfer
- Liberal Arts/Psychology Transfer is a MassTransfer A2B Mapped program with the Massachusetts State Universities or Universities of Massachusetts. When choosing electives complete an A2B program search at www.mass.edu/masstransfer to ensure all credits will be transferred and applied to your degree.
