

Psychology Transfer

Program Goals Statement

The Liberal Arts/Psychology Transfer program provides a comprehensive and rigorous foundation for students who plan to transfer to complete a Bachelor of Arts degree in Psychology. The program values lifelong learning for success of the individual as well as the community.

After Bristol

- Bristol participates in the statewide MassTransfer program and has developed many program-to-program transfer articulation agreements which guarantee admission and credit transfer. For a complete listing of eligible MassTransfer programs, current Bristol articulation agreements, and to complete an A2B Program search visit the Transfer Affairs website, to ensure all credits will be transferred and applied to your degree.

MassTransfer A2B Pathway

The Liberal Arts - Psychology Transfer program is a MassTransfer A2B Mapped Program with some Massachusetts State Universities. When choosing electives, complete an A2B Program Search to determine available transfer institutions and to ensure all credits will be transferred and applied to your degree.
