

Small Business and Entrepreneurial Management

Program Information

- Students work with program faculty and area resources to receive intensive, practical training in business plan preparation.
- Transfer credits for any course in the Business Administration Department (ACC, BNK, BUS, LSM, MAN, MAR and RMN) must be approved by the Business Administration Department Chairperson.

Program Goals Statement

This certificate prepares students to start and operate a small business. The program introduces students to management, marketing, accounting, and finance, essential areas of business development. All courses can be transferred to the degree program in Business Administration Career.
